START

EMS  
Are you okay?  
Erin shaken...

ERIN  
What the hell happened? That guy  
came out of nowhere.

EMS  
We have to get you to the hospital,  
okay?

ERIN  
No, no. I'm funny. I'll be okay.

She reaches up to her forehead... feels around then looks at her fingers... blood. She gets a little woozy at the sight of it.

EMS  
Okay, okay, easy does it. We're  
going to move you onto a stretcher  
now, you understand?

Erin nods. As they start to load her onto the stretcher, Erin doesn't notice her phone ringing in her bag nearby.
